MATISSE BISTRO

"An artist is an explorer" - HENRI MATISSE

with these words in mind, at Matisse Bistro, we constantly explore new ways to improve the restaurant experience, our menu and our entire purpose for being here. Each recipe you will try is a combination of years of experience and the the best ingredients we can find. We have set up high standards of quality and freshness from all our vendors . We hope you'll enjoy the fresh produce, the grass-fed beef, the free range chicken and the locally baked European pastries & breads!

Through your patronage, we will also continue to support local charities and particularly the abandoned children in Baja California. Finally we want to limit the impact we have on the environment by making recycling and composting a central part of our business operations.

THANK YOU FOR DINING WITH US, MATISSE MANAGEMENT
